AIRKAYAK 16' (485) SAFETY WARNING

Paddle sports can be dangerous and physically demanding. Participating in paddle sports may lead to dangerous situations, which may involve serious injuries. The user of this product acknowledges both an understanding and an assumption of the risk involved in paddle sports. Observe the following safety standards whenever using this product:

- Get paddle sport instruction.
- Obtain first aid and rescue training and carry first aid and rescue equipment.
- Always wear a personal flotation device.
- Never paddle alone.
- Always wear a helmet where appropriate.
- Dress appropriately for weather conditions; cold water and/or cold weather can result in hypothermia.
- Check your equipment prior to each use for signs of wear or failure.
- Do not use alcohol or mind-altering drugs prior to using this product.
- Do not paddle in flood conditions.
- Be aware of appropriate river water levels, tidal changes, dangerous currents and weather changes.
- Scout unfamiliar waters; portage where appropriate.
- Do not exceed your paddling ability; be honest with yourself.
- Consult your physician prior to beginning your paddle sport training.
- Follow the manufacturer's recommendations for the use of this product.
- If additional outfitting is added to this craft, use manufacturer's approved materials only; do not impair entry or exit access.
- Read owner's information package prior to using this product.
